Not everything in life worth having comes easy. This also applies to my lovely typeface, **ADAM.CG Pro**. The zip archive for the fonts is *password protected*. You'll have to play a fun little game to unlock it ;)

Here we go:

1) The clue is hidden in my band Minaxi's song "***Stargazer***". All you have to do is listen to it on either Spotify, YouTube or SoundCloud via one of the following links:

Spotify: https://open.spotify.com/track/383QFL33a1ZK7LJ7UTxY1A?si=4gjfINaCSyiwRGQhkQO94A

YouTube: https://www.youtube.com/watch?v=zp8_W0YALyE

SoundCloud: https://soundcloud.com/minaxi-music/stargazer

2) Once you have the song open, listen through and the lyric/word at the **3:35** mark is the password (lowercase) to unlock the typeface.

Easy, right?! Additionally, if you like the music, please follow Minaxi on your favourite streaming platform via https://smarturl.it/minaxi and via instagram @minaxitheband

Certain things are hidden in plain sight sometimes. All you have to do is observe. I hope everyone is safe and healthy!
